

Roos Family in France – Tony, Raeni, Fayth, & Hannah

We will be moving to Eastern Wisconsin just on the north end of Milwaukee where Tony will be the campus pastor at [Crossway Northshore](#).

Raeni talked with her supervisor and will be able to work remotely in the fall.

We will fly to Phoenix together in August to bring Hannah to Grand Canyon University.

Many of you have been praying for Fayth as she prepares to head off to Dakar next week. She has reached fully funded and will be getting on a plane on Saturday. She is doing well and excited and nervous and having all the emotions. You can stay up to date with her wanderings at <https://gmail.us9.list-manage.com/subscribe?u=939accd7d327d055c0b08a734&id=45ad5bf990>

With that I want to take one more time to thank each of you for journeying with our family in what God has done and continues to do in France. This will be our last update here. If we come to mind in the coming months or years feel free to email or text to say hi. We are so thankful for each one of you.

Scott Family in Kosova – Rob, Heidi, Eliana, and Malia

Pray for more people to join our team! We will be hiring another local Christian to join our ministry team and would love for God to send more international workers as well (*people who enjoy coffee ministry and teaching/ mentoring/ developing new ways of connecting with youth and adults*). Pray God grants us discernment and great wisdom as we seek to add to our team.

Eliana & Malia: Praise God for a great school year and pray they both finish the last couple weeks of school strong! Pray for Malia's adjustment to her back brace for scoliosis. She gets discouraged sometimes and it's a bummer for her to think about wearing it all summer. It's hot and constricting. Pray we can help her find a balance of breaks from wearing it while not losing effectiveness.

Erickson Family in Senegal – Josh, Heather, Tristan, Treven, Lincoln, Eliana, and Jackson

*Pray for the anointing of the Holy Spirit wherever we go and that we would know Jesus on a deeper level.

*Praise God to an incredible start of our tour out West.

*Pray for full migraine relief for Josh and Lincoln, and healing for Josh's knee. He started PT this past week. We're thankful for good healthcare this year!

*Pray for relational, spiritual, and emotional healing for our family.

*Pray for us as we travel a lot that we would be present in each location, with each person and that we would implement rhythms of sabbath rest daily and weekly.

*Pray for fresh vision for our family and team.

Schaeffer Family in Japan – Don, Rach, Donald, Elliot, & Samuel

When we landed in BWI a few minutes after midnight the next day on May 17, we were greeted with a warm welcome from my parents. It was a blessing to be able to give them hugs and watch the boys be embraced after years of not seeing them. We are excited to live close to them for the year.

Our family is now living in my home county of Dorchester County in a little town called Vienna. We are re-adjusting ourselves to rural America.

Thank you for praying for our family, especially for our boys who are learning for the first time that good-byes are always the hardest. Yet, we continue to love well, believing that we have eternal hope in Jesus our Lord who gives us His peace, His rest, and His everlasting promise to be with us through all of our goodbyes and transitions.

Within 24 hours of arriving, several church leaders and others from our local Alliance church, Sunnyside Alliance came to pray over us and our home. My (Rachel) family and the church have blessed us with supplies that one needs for setting up a house. Our address for the year is 124 Middle St. Vienna, MD 21689. Thank you for praying for us!

Strand Family in Sarajevo – Michael, Lia, Lydia, and Benjamin

During this next year, we will visit some partner churches and a few churches here in Wisconsin. Mostly, **Michael** will be meeting with elders and leaders from churches to increase awareness and engagement in God's big story for the world. Stay tuned for more information! **Lia** will direct a busy house and work on education with the kids

McLoughlin Family in France – Mally & Valary

Continue to pray for the kids - Pearl with her autism as she has difficulties receiving instruction; Dylan-to focus well on his studies and end the year well.

Thanks for praying for the France team at their prayer retreat. It went well and people were refreshed.

Thanks for praying for me doing the French bookkeeping. I've added more to that load of work, but it is less complicated than I originally thought!

Pray for Mally as he has just added a bunch of travel and filming to his schedule.
