

## WAY TO PRAY NEWS LETTER

### JEFF AND JANNETTE THRANE

- Pray as we continue to go through language studies. More classes!!!
- Pray for new relationships with our teachers.
- Please pray that God will continue to provide additional funds for our tutoring expenses.

- Praise the Lord as we celebrate two birthdays (Estella and Donald Alexander) in March.

### ROB AND HEIDI SCOTT

- Pray God's blessings on each of their volunteers and their families. For God's protection and provision as they sacrifice to serve and follow him.
- Pray for the vision of the art programs at the community center: to communicate God's love and grace through Art and bridge our majority-religion neighbors to believers.
- Please pray for God to use each of the classes at the community center to build relational bridges that are deep, personal, lasting and spiritual.
- Pray for God to speak through His Word and through dreams and visions, particularly during the month of fasting, which starts March 1st.

### MICHAEL & LIA STRAND

- Pray as we have transition back to BiH. We plan to be here for a few months and will back stateside for a month.
- Pray for Lia's long term visa.
- Pray for strength and boldness as Michael has an invitation to a regional conference that is heavily Islamic influences.

### J & J

- Pray for God's Spirit of generosity and compassion to fill people's hearts- especially followers.
- Pray for church leaders to become friends with each other with deep bonds of love, encouraging each other to grow. There are some leaders here who are alone with no local support networks. Pray that they find friendship and fellowship.
- Pray for those who know Jesus to have opportunities to share our Father's love and good news during this month with those around them.
- Pray for unity among believers. Because of a lack of unity, there is also a great lack of trust among them. Pray for deep friendships and community to be formed among believers.
